

FORWARD-LOOKING INFORMATION

- Certain statements made throughout this meeting may contain forward-looking information within the meaning of the securities legislation, which represents the estimates and expectations of the Corporation relating to future results or developments.
- Forward-looking information involves risks and uncertainties that may cause actual results or developments of the Corporation to be materially different from those expressed by the forward-looking information.
- The Corporation does not undertake any obligation to update or revise any forward-looking information, unless required by legislation.

NON-IFRS MEASURES

 Audience members are cautioned that measures such as "Adjusted EBITDA", "Free Cash Flow" and "Payout Ratio" are not measures recognized by IFRS and have no standardized meaning prescribed by IFRS; therefore, they may not be comparable to those presented by other issuers.

ON TRACK FOR 2017

RENEW SOURCES OF LONG-TERM GROWTH

- Consolidate our leadership position in Canada, through partnerships and acquisitions
- Gain a foothold in international markets such as Europe and Latin America, where demand for renewable energy is driven by economic growth or the need to replace fossil fuels or nuclear energy
