CAUTIONARY STATEMENTS

FORWARD-LOOKING INFORMATION
To inform readers of the Corporation's future prospects, this document contains forward-looking information within the meaning of applicable securities laws ("Forward-Looking Information"), including future-oriented financial information such as expected production, projected revenues, projected Adjusted EBITDA, projected Adjusted EBITDA Proportionate, projected Free Cash Flow and estimated project costs. Such information may not be appropriate for other purposes. Forward-Looking Information can generally be identified by the use of words such as “approximately”, “may”, “will”, “could”, “believes”, “expects”, “intends”, “should”, “plans”, “potential”, “project”, “anticipates”, “estimates”, “scheduled” or “forecasts”, or other comparable terminology that state that certain events will or will not occur. It represents the projections and expectations of the Corporation relating to future events or results as of the date of this presentation.

Forward-Looking Information is based on certain key assumptions made by the Corporation, including, without restriction, those concerning hydrology, wind regimes and solar irradiation; performance of operating facilities, acquisitions and commissioned projects; project performance; availability of capital resources and timely performance by third parties of contractual obligations; favourable market conditions for share issuance to support growth financing; favourable economic and financial market conditions; the Corporation’s success in developing and constructing new facilities; successful renewal of PPAs; sufficient human resources to deliver service and execute the capital plan; no significant event occurring outside the ordinary course of business such as a natural disaster, pandemic or other calamity; continued maintenance of information technology infrastructure and no material breach of cybersecurity.

For more information on the risks and uncertainties that may cause actual results or performance to be materially different from those expressed, implied or presented by the forward-looking information or on the principal assumptions used to derive this information, please refer to the "Forward-Looking Information" section of the Management's Discussion and Analysis of the Corporation for the three- and twelve-month periods ended December 31, 2021.

Although the Corporation believes that the expectations and assumptions on which Forward-Looking Information is based are reasonable, readers of this document are cautioned not to rely unduly on this Forward-Looking Information since no assurance can be given that it will prove to be correct. The Corporation does not undertake any obligation to update or revise any Forward-Looking Information, whether as a result of events or circumstances occurring after the date of this document, unless required by legislation.

1. Results from continuing operations unless otherwise indicated.
2. These measures are not recognized measures under IFRS and therefore may not be comparable to those presented by other issuers. Production is a key performance indicator for the Corporation that cannot be reconciled with an IFRS measure. Please refer to the “Non-IFRS Measures” section of this presentation for more information.
3. For the year ended December 31, 2021, the Financial Performance and Operating Results are normalized to exclude the impacts of the February 2021 Texas Events. Please refer to the “February 2021 Texas Events” section of the 2021 Annual report for more information.
As part of its 2020-2025 Strategic Plan, Innergex aims to achieve compound annual growth rate of:

+ **9%** of its Adjusted EBITDA Proportionate by 2025

+ **12%** of its Free Cash Flow per share by 2025

---

1. Target revised in November 2021. Please refer to the MD&A for the period ended September 30, 2021 filed on November 9, 2021.
