

Renewable Energy.  
Sustainable Development.

## JOB POSTING #PRC195

### POSITION: COORDINATOR – COMMUNITY AND LAND RELATIONS VANCOUVER, BC (CANADA) OR SAN DIEGO, CA (USA)

#### COMPANY PROFILE

Innergex Renewable Energy Inc. is a global player with an extensive and growing portfolio of assets in Canada, the United States, France, Chile and Iceland. The Company develops, owns, acquires and operates run-of-river hydroelectric facilities, wind farms, solar farms and geothermal plants exclusively producing renewable energy.

Sustainable development producing positive social, environmental and economic results guides our actions. We are not only proud of the work we do, but also of the way we do it. Our many accomplishments and continued successes are made possible by our outstanding team of employees.

Innergex is a publicly traded company and has offices in Longueuil, Vancouver, Lyon and San Diego.

The chosen candidate may be based at our Vancouver, BC office or our San Diego, CA office.

#### ROLE AND RESPONSIBILITIES

Reporting to the Vice President – Corporate Relations, the Coordinator – Community and Land Relations will be a part of the Corporate Relations team and will work closely with the Manager – Community and Land Relations. The Corporate Relations team builds and maintains relationships with all levels of governments, Indigenous and local communities, project stakeholders and others, from the project's initial development stage through to operations.

##### **Main responsibilities are as follows:**

- Assist in providing notification to project stakeholders of work or studies that may be conducted on their property;
- Facilitate signing of various project documents with stakeholders, including but not limited to agreements, estoppels, amendments, payment authorization forms, etc.;
- Collect and organize landowner forms (including but not limited to payment authorization forms and W9 forms);
- Review and organize legal documents (including but not limited to land leases, easements, and Resource Development Agreements);
- Work closely with external and internal legal counsel for the preparation of agreements;
- Facilitate site plan preparation/reviews;
- Interface with local companies interested in providing services for the project(s) and refer them to the appropriate project resource(s);
- Plan and organize events for landowners and communities (liaise with local community reps and government officials for various initiatives);
- Work closely with title company to ensure title commitments are fulfilled for projects;
- Analyze agreements and prepare agreement commitment matrix for internal use;
- Prepare form agreement deviation spreadsheets;
- Track and manage commitments within project agreements;
- Track project related work (including but not limited to project transmittals, requests for information and change orders);
